# THANK YOU!

Dear Friend of the Y,

**A huge thank you to those who donated to our Match Day campaign!** Your gifts have helped us maximize the matching funds provided by the Community Foundation, and you are bringing the LIVESTRONG® at the YMCA strength, exercise, and support program to cancer survivors throughout our community!

**If you have not had a chance to make a gift, it's not too late.**

Simply visit [www.sidney-ymca.org](http://www.sidney-ymca.org) and click on the [MAKE A DONATION](#) button.

Picture every kid feeling like he or she belongs. Alyssa didn't. She has Prader Willi Syndrome, a genetic disorder that causes her to always be hungry and overeat. But by walking every day at the Y she has lost over 60 lbs! And participating on the Y's Super Stars Cheer Team has given her a place to fit in and she has become an amazing young woman, volunteering in the gym and the Y Child Development Center.

That's the Y. You are changing lives with your gift to our Community Partners Campaign. At this special time of year, will you consider giving the gift of encouragement, growth, good health, fun and so much more?

Together we can make a difference in the lives of thousands of children, adults, and families. Please consider a gift by December 31<sup>st</sup> that will go to immediate use for a better Shelby County. You may give your gift online [here](#).

Thank you again for being part of the Sidney-Shelby County YMCA.  
We look forward to 2019 with great hope.

Merry Christmas and a Blessed New Year,

*Your friends at the Sidney-Shelby County YMCA*
