March 16, 2020

Dear Acro, Cheerleading, Gymnastics and Aquatics CLASS Athletes & Parents,

The Sidney-Shelby County YMCA is committed to providing a safe and enjoyable experience for everyone who passes through our doors. Your health and welfare are paramount to us.

Due to Covid-19 concerns and the newly released government restrictions, the Sidney-Shelby County YMCA will immediately institute the following temporary restrictions and adjustments to normal operations until May 1st or when Gov. Mike DeWine lifts the State of Emergency declaration:

- All Classes are suspended until May 1 ,2020
- All open gyms, private lessons or clinic have been postponed until further notice.
- Specialty Programs or Clinics will be postponed.
- Classes missed will be credited to your YMCA account.

While no one can predict with certainty how our region will be impacted by the coronavirus, we are monitoring the situation and will respond accordingly. We will do our best to keep our members as informed as we can in this rapidly developing situation. Thank you for your patience as we work together to overcome this new challenge.

If you have any questions please feel free to contact me at ehicks@sidney-ymca.org or 937-492-9134.

Have a blessed day,
Erica Hicks
