FOR SOCIAL RESPONSIBILITY

March 16, 2020

Dear Youth Sports Parents and Athletes,

The Sidney-Shelby County YMCA is committed to providing a safe and enjoyable experience for everyone who passes through our doors. Your health and welfare are paramount to us.

Due to Covid-19 concerns and the newly released government restrictions, the Sidney-Shelby County YMCA will immediately institute the following temporary restrictions and adjustments to normal operations until May 1<sup>st</sup> or when Gov. Mike DeWine lifts the State of Emergency declaration:

- All Leagues (This includes Volleyball and Soccer) are suspended until May 1, 2020. We will reschedule the coaches meeting.
- All Youth Sport programs (This includes Set, Basketball, Volleyball, Karate, and Soccer) are postponed until May 1, 2020
- Any Clinics or Specialty programs have been canceled until May 1, 2020

While no one can predict with certainty how our region will be impacted by the coronavirus, we are monitoring the situation and will respond accordingly. We will do our best to keep our members as informed as we can in this rapidly developing situation. Thank you for your patience as we work together to overcome this new challenge.

Have a blessed day,
