

November 5, 2021

Dear Friends of the Y,

Together we are creating a better community, a community that connects us - neighbors helping neighbors. Match Day has shown us that because the event has provided over \$1.3 million in funding for our local non-profits since its inception. The SIDNEY-SHELBY COUNTY YMCA will be partnering with the Community Foundation and you can help generate gifts that will be matched up to \$5,000 by the Community Foundation match pool of \$115,000. This will be an incredible opportunity for us to use Match Day funding to **continue to fund LiveSTRONG** at the YMCA for cancer survivors. **NEW** will be the ability to **fully subsidize the Delay the Disease Program for Parkinson's Patients**. This means that these participants, like the LiveSTRONG participants, will not have to pay for this valuable program. Also **NEW** will be the **addition of a memory care and balance program called Brain and Body** which will launch in mid 2022. The addition of this new program will help those fighting dementia, cognitive and memory issues, and balance issues, as well as older adults seeking to maintain their physical and cognitive health.
