

FAMILY PLEDGE

Keeping kids safe around water requires a family commitment. Review the pledge below as a family and ask everyone to agree to follow the safety guidelines listed.

We pledge to be safe in and around water.

As a family, we agree to do the following:

- ✓ Always make sure an adult actively watches children around water.
- ✓ Make sure an adult stays within arm's reach of young children in the water.
- ✓ Swim near a lifeguard.
- ✓ Reach or throw, don't go, to help a swimmer in trouble.
- ✓ Consider enrolling children in swim lessons to help them stay safe around water.

Swim Lessons are available at the SIDNEY-SHELBY COUNTY YMCA for ALL ages. Financial Assistance is available. Call 937-492-9134 to learn more.
