

YMCA Photo Challenge:

This is something you can get your whole family involved in! Use people, props and/or a background image to create a YMCA picture.

1. There must be a minimum of 1 person in the picture creating a letter.
2. You must create a Y, M, C & A in your picture. Make sure your picture is clear. We are excited to see the ways and places that you spell the YMCA.
3. Post your YMCA picture to Facebook. Tag us, Sidney-Shelby County YMCA in your post and use #VirtualYFest2020

*Everyone who attempts, following the rules above, will be entered into the prize drawing for Kings Island tickets, Great Wolf Lodge tickets, gift cards, and more!
